

# Everything Zen

## Bush

There must be something we can eat  
Maybe find another lover  
Should I fly to Los Angeles  
Find my asshole brother Mickey Mouse has grown up a cow  
Dave's on sale again  
We kissy kiss in the rear view  
We're so bored  
You're to blame Try to see it once my way  
Everything zen  
Everything zen  
I don't think so  
Raindogs howl for the century  
A million dollars a steak  
As you search for your demi-god  
And you fake with a saint  
There's no sex in your violence  
There's no sex in your violence Try to see it once my way  
Everything zen  
Everything zen  
I don't think so  
Everything zen  
Everything zen I don't believe that Elvis is dead  
I don't believe that Elvis is dead  
I don't believe that Elvis is, Elvis is  
There's no sex in your violence  
There's no sex in your violence  
There's no sex in your violence  
There's no sex in your violence Try to see it once my way  
Everything zen  
Everything zen  
I don't think so Try to see it once my way  
Everything zen  
Everything zen  
I don't think so Zen  
Zen  
I don't think so  
I don't think so  
I don't think so  
Zen
