

# I'm Just a Man

Jason Aldean

I'm a blue collar man had a hammer in my hand  
For the last few years of my life  
Working double overtime  
While you sleep alone at night  
Baby I know it's been a long hard ride  
Sometimes I forget to say I love you  
But baby please know that I do, YeahCHORUS  
I live this life everyday  
I make my share of mistakes  
And every lesson I've learned  
I've learned the hard way  
I do the best that I can  
And i hope you understand  
After all, I'm just a man  
I found a postcard that you've saved  
That's turned yellow with age  
Of a beautiful place in the sun  
We've been saying every year that we're gonna go there  
And run away just the two of us  
Well I put that picture back on your dresser  
Grab my keys, I got to get back to work, YeahCHORUS  
I live this life everyday  
I make my share of mistakes  
And every lesson I've learned  
I've learned the hard way  
I do the best that I can  
And i hope you understand  
After all, I'm just a man  
CHORUS  
I live this life everyday  
I make my share of mistakes  
And every lesson I've learned  
I've learned the hard way  
I do the best that I can  
And i hope you understand  
After all, I'm just a manAfter all, I'm just a man  
That's all I am  
Baby I'm just a man
