

More Than This

One Direction

I'm broken, do you hear me?
I'm blinded
'Cause you are everything I see I'm dancing, alone
I'm praying
That your heart will just turn around And as I walk up to your door
My head turns to face the floor
'Cause I can't look you in the eyes and say When he opens his arms and holds you close tonight
It just won't feel right
'Cause I can love you more than this, yeah When he lays you down, I might just die inside
It just don't feel right
'Cause I can love you more than this
Can love you more than this
If I'm louder, would you see me?
Would you lay down
In my arms and rescue me? 'Cause we are the same
You saved me
But when you leave it's gone again And then I see you on the street
In his arms, I get weak
My body feels I'm on my knees, praying When he opens his arms and holds you close tonight
It just won't feel right
'Cause I can love you more than this, yeah When he lays you down, I might just die inside
It just don't feel right
'Cause I can love you more than this, yeah I've never had the words to say
But now I'm asking you to stay
For a little while inside my arms
And as you close your eyes tonight
I pray that you will see the light
That's shining from the stars above And I say When he opens his arms and holds you close
tonight
It just won't feel right
'Cause I can love you more than this
'Cause I can love you more than this When he lays you down, I might just die inside
It just don't feel right
'Cause I can love you more than this, yeah When he opens his arms and holds you close tonight
It just won't feel right
'Cause I can love you more than this, yeah When he lays you down, I might just die inside
It just don't feel right
'Cause I can love you more than this
Can love you more than this
