

Limbo No More

Alanis Morissette

My house
My role
My friends
My man
My devotion
to god
All amorphous
Indefinite Nothing's been clear
Nothing's been in
Nothing's felt true
And I've never had both feet in
Nothing's been long
Nothing's been yes
Nowhere's been home
And I'm ready to be limbo no more
My taste
My peers
My identity
My affiliation
All amorphous
Indefinite Nothing's been clear
Nothing's been in
Nothing's felt true
And I've never had both feet in
Nothing's been long
Nothing's been yes
Nowhere's been home
And I'm ready to be limbo no more
I sit with filled frames and
My books and my dogs at my feet
My friends by my side
My past in a heap
Thrown out most of my things only kept what I need
To carve something consistent and notably me Tattoo on my skin
My teachers in heart
My house is a home
Something at last I can feel a part of
A sense of myself
My purpose is clear
My roots in the ground
Something at last I can feel a part of Something aligned
To finally commit

Somewhere I belong
Cuz I'm ready to be limbo no more
My wisdom applied
A firm foundation
A vow to myself
'Cuz I'm ready to be limbo no more.
