

Until Tomorrow

Confessor

Oh why are you doing this to me
Oh why does my life seem incomplete
Rain falls as I dye
Waste away in death
I waste myself away in life
Oh why are you doing this to me
Oh why does my life seem incomplete
Shame falls as I cry
Kick myself to death
I kicked myself enough to die
I believe, I can't see
I believe, I will keep
All my dreams, mind is free
All I need
Until tomorrow
I'll feel no pain
Until Tomorrow
I'll fade away
Oh why are you doing this to me
Oh why does my life seem incomplete
I believe
