

# Mama Aint Raise No Bitch

Tayla Parx

(Verse 1)

I wish I could unlove you now  
Uncry these tears and just untouch you now  
Wish I could leave you alone  
Cause id be fine on my own  
But now I miss you when the sun goes down  
I wish I could uncall you back  
Kick this bad habit maybe unrelapse  
I know IÊ¼m better than this  
I know way better that this  
But it always hits me when the sun goes down

(Pre-chorus)

Now IÊ¼m that chick I used to make fun of  
Im that chick whoÊ¼s tryna act all tough  
Im that chick dressing up for you to notice  
WhoÊ¼s that chick?

(Chorus)

Cuz mama ainÊ¼t raise no bitch And you know that  
Mama ainÊ¼t raise no bitch  
And you know that  
So why am I here  
CryinÊ¼ over you  
DyinÊ¼ over you  
When I know that you ain't shit  
OverthinkinÊ¼ you , overdrinkin you When I know that you ain't shit (X2)  
When Mama ainÊ¼t raise no bitch

(Verse 2)

I wish I wouldÊ¼ve stood my ground  
Turned up my volume when you shut me down  
Show you the strength in my voice  
Show you the power in choice  
Hard lessons learned but I can thank you now I bet its hard to understand  
This time the woman was the better man  
A broken boy in the suit  
Unwanted withering youth  
Who needs somebody when the sun goes down

(Pre-chorus)

Now I'm that chick I used to make fun of  
Im that chick who's tryna act all tough  
Im that chick dressing up for you to notice  
Who's that chick?

(Chorus)

Cuz mama ain't raise no bitch And you know that  
Mama ain't raise no bitch  
And you know that  
So why am I here  
Cryin' over you  
Dyin' over you  
When I know that you ain't shit  
Overthinkin' you , overdrinkin you  
When I know that you ain't shit (X2)  
When Mama ain't raise no bitch

(Outro)

You make me com..pletely miserable  
You make me com..pletely miserable  
But mama ain't raise no bitch
