

# Safe & Sound (Taylor's Version)

Taylor Swift, Joy Williams & John Paul White

[Verse 1: Taylor Swift]

I remember tears streaming down your face when I said, "I'll never let you go"  
When all those shadows almost killed your light  
I remember you said, "Don't leave me here alone"  
But all that's dead and gone and passed tonight

[Chorus: Taylor Swift & Joy Williams, Taylor Swift]

Just close your eyes  
The sun is going down  
You'll be alright  
No one can hurt you now  
Come, morning light  
You and I'll be safe and sound

[Verse 2: Taylor Swift, Taylor Swift & John Paul White]

Don't you dare look out your window, darlin', everything's on fire  
The war outside our door keeps ragin' on  
Hold on to this lullaby  
Even when the music's gone, gone

[Chorus: Taylor Swift & Joy Williams, Taylor Swift]

Just close your eyes  
The sun is going down  
You'll be alright  
No one can hurt you now  
Come, morning light  
You and I'll be safe and sound

[Bridge: Taylor Swift, Joy Williams & John Paul White, Taylor Swift & John Paul White, (Joy Williams), All]

Ooh, ooh  
Ooh, ooh  
Oh (Oh)  
Oh (Oh)  
Ooh, ooh  
Ooh, ooh  
Oh  
Oh

[Chorus: Taylor Swift, Taylor Swift & Joy Williams]

Just close your eyes  
You'll be alright

Come, morning light  
You and I'll be safe and sound
