

Someone Else Calling You Baby

Luke Bryan

I saw a truck backin' out of your drive
You were sitting in the passenger side
Messin' with the radio, you had your sun glasses on.
I pulled over cause I couldn't believe
Two weeks ago that was you and me
Riding down these old back roads, just singing our songs
Everybody round our towns been whisperin'
A tear in your eye says I should have been listenin' Baby is someone else calling you baby
It's driving me crazy
This bein in the dark
Goodbye's never easy
So break it to me hard
If you're over my love girl
Lay it on my heart
Don't try to save me
Is someone else calling you baby? You wanted time and you wanted your space
So I backed off, did whatever it takes
Never really thought you were that ready for moving along
Now I ain't leaving till I hear you say what's going on It'll be what it will be, its either him or me
Give me the word and girl I'm gone Baby is someone else calling you baby
It's driving me crazy
This bein in the dark
Goodbye's never easy
So break it to me hard
If you're over my love girl Lay it on my heart
Don't try to save me
Is someone else calling you baby?
Goodbye's never easy
So break it to me hard
If you're over my love girl
Lay it on my heart
Don't try to save me
Is someone else calling you baby?
Girl, don't try to save me
Is someone else calling you baby?
Is someone else calling you baby?
