

Motivation

Normani

I'mma break you off, let me be your motivation
To stay and give it tonight
Baby turn around, let me give you innovation (Hey)'Cause I do it so right You got that good,
good, baby don't you?
Got that good, good, baby don't you?
But you leavin' solo
And you regular, damn and you regular
I ain't gon' keep, keep fightin' for it
Ain't gon' keep, keep fightin' for it
'Cause you know this thing here
Ain't regular, damn ain't regular Fallin' into the bed
Why will we ever do somethin' instead of
Fallin' into the bed right now
I'mma break you off, let me be your motivation
To stay and give it tonight
Baby turn around, let me give you innovation (Hey)
'Cause I do it so right Think about it
(Ooh) Think about it
Think about it
(Ooh) Take a look at me now (Hey)
A little motivation, alright You got a bad one baby, don't you?
Got a bad one baby, don't you?
And we both know there's no
One better boy, no one better boy
Too late, won't make it, I'mma tell 'em
Get you naked but I won't tell 'em
'Cause you know that there's no
One better boy, no one better boy
Fallin' into the bed
Why will we ever do somethin' instead of
Fallin' into the bed right now
(Eh, right now now) I'mma break you off, let me be your motivation
To stay and give it tonight (And give it tonight)
Baby turn around, let me give you innovation (Ooh)
'Cause I do it so right Think about it
(Ooh) Think about it
Think about it
(Ooh) Take a look at me now (Now, hey)
A little motivation, alright Hey
Oh, oh
A little motivation (A little motivation)
Hey

Oh, ohI'mma break you off, let me be your motivation
To stay and give it tonight (And give it tonight)
Baby turn around, let me give you innovation (Ooh)
'Cause I do it so rightThink about it
(Ooh) Think about it
Think about it
(Ooh) Take a look at me now (Hey)
A little motivation, alright
