

Deep

Lizzo

[Verse 1]

I feel off, I might love you, baby
I'd give my soul
You and I can't stand the feeling, I love it
The one you want, you can't fuck it up, yeah
No self-control
Weed it out and come get your girl
Oh yeah, yeah

[Pre-Chorus]

Call me, my long, long lost companion
Prove that my love is sometimes crazy
Hold my hand a whole lot closer, whole lot closer
Feel it, I know, I know, I know

[Chorus]

How deep is your love for me, baby?
Does it make your ass a donor?
How deep is your love for me, baby?
'Cause I know now a donor supposed 'ta

[Post-Chorus]

Oh-a, oh-a
Oh-a, oh-a, oh-a
Hey-ee-ay, oh-a oh-a
Oh-a, oh-a, oh-a
Hey-ee-ay, oh-a oh-a
Oh-a, oh-a, oh-a
Hey-ee-ay, oh-a oh-a
Oh-a, oh-a, oh-a
Hey-ee-ay, oh-a oh-a

[Verse 2]

When you ask if I love ya, baby
I tell you no
Move it down, I can't feel it, feel it, oh yeah yeah
You're wrong, you're right, you can't figure out
You're so defensive
Play at night like insomnia, oh yeah, yeah, yeah

[Pre-Chorus]

Call me, my long, long lost companion
Prove that my love is sometimes crazy
Hold my hand a whole lot closer, whole lot closer
Feel it I know, I know, I know

[Chorus]

How deep is your love for me, baby?
Does it make your ass a donor?
How deep is your love for me, baby?
'Cause I know now a donor supposed ta

Oh-a, oh-a, oh-a
Hey-ee-ay, oh-a oh-a

Hey-ee-ay, oh-a oh-a

[Bridge]

Cool up the wind now
Love will open the door
Cool up the wind now
Go and open the door
Love ain't a rodeo
I'll never rescue you
Love ain't no Romeo
Get what you're askin' for

[Chorus]

How deep is your love for me, baby?
Does it make your ass a donor?
How deep is your love for me, baby?
'Cause I know now a donor supposed ta
