

# Ordinary Day (feat. Hailee Steinfeld)

## Logic

It was an ordinary day until  
I saw you crawl around my way  
And the night goes  
On, and on, and on, and on  
On, and on, and on, and on  
On, and on, and on, and on  
On, and on, and on, and on  
It was an ordinary day  
until I saw you crawl around my way  
And the night goes  
On, and on, and on, and on  
On, and on, and on, and on  
On, and on, and on, and on  
(Alright)  
On, and on, and on, and on  
(Alright, alright, alright, alright, alright, alright, alright, alright)  
Cocaine in the back hard liquor to the right  
Don't really drink but shit I might  
This the type of shit I like  
Everyone just living life  
Live a life like this is dangerous  
Everybody just ain't famous  
Everybody from the young to the old  
Anyone with a little bit of money get shameless  
You know you fuckin' bougie  
You know you fuckin' dumb  
You know you'll get the shit smacked outta you back where I'm from  
Hol' up  
Wait up  
This shit is made up  
Feel like I'm dreamin'  
Imma wake up  
Girl, I can see you through your makeup  
I can tell by the look in your eyes  
I can tell by the fact you don't know act  
I see right through your lies  
I'm a real muthafucker whatcha know 'bout that  
Like yeah whassup  
Everybody out here actin' tough  
I might get drunk call yo bluff  
This right here yeah that's yo nuff  
Yeah you know me, yeah I know you  
But bitch I been here before you

Imma show you,  
Imma show you  
Imma show you  
So they tell me that they love me  
But I know that's it's all for show, it's all for show  
And I tell her that she love me  
But she know that's it's all for show, it's all for show It was an ordinary day  
Until I saw you crawl around my way  
And the night goes  
On, and on, and on, and on  
On, and on, and on, and on  
On, and on, and on, and on  
On, and on, and on, and on Oh alright, alright  
I know everyone's faking it tonight  
But I know that I love the way I feel right now  
So I'm not gonna let them bring me down  
It's an ordinary day I'm gonna live it how I like It was an ordinary day  
Until i saw you crawl around my way  
And the night goes  
On, and on, and on, and on  
On, and on, and on, and on  
On, and on, and on, and on  
On, and on, and on, and on
