

Falling for You

Weezer

[Verse 1]

Holy cow, I think I've got one here
Now just what am I supposed to do?
I've got a number of irrational fears
That I'd like to share with you
First, there's rules about old goats like me
Hanging 'round with chicks like you
But I do like you and another one:
You say 'like' too much

[Chorus]

But I'm shaking at your touch, I like you way too much
My baby, I'm afraid I'm falling for you
I'd do 'bout anything to get the hell out alive
Or maybe I would rather settle down with you, oh

[Verse 2]

Holy moly, baby, wouldn't you know it?
Just as I was busting loose
I gotta go turn in my rock star card
And get fat and old with you
'Cause I'm a burning candle, you're a gentle moth
Teaching me to lick a little bit kinder
And I do like you - you're the lucky one
No, I'm the lucky one

[Chorus]

I'm shaking at your touch, I like you way too much
My baby, I'm afraid I'm falling for you
I'd do 'bout anything to get the hell out alive
Or maybe I would rather settle down with you

[Guitar Solo]

[Verse 3]

Holy sweet goddamn
You left your cello in the basement
I admired the glowing stars
And tried to play a tune
I can't believe how bad I suck, it's true

What could you possibly see in little ol' three chord me?
But I do like you and you like me too
I'm ready, let's do it, baby

[Chorus]

I'm shaking at your touch, I like you way too much
My baby, I'm afraid I'm falling for you
I'd do 'bout anything to get the hell out alive
Or maybe I would rather settle down...

[Outro]

(Down)

With you (with you)

Down (Down)

With you (with you)

Oh
