Back To Earth (feat. Fall Out Boy)

Steve Aoki

It was just the beginningI think that I was meant to be next to you, to you

On this planet spinning

I think that I was meant to be next to you, to you

And you know I found the dust to be resilient

And we're the dirtiest of the dirt

Every time we fall to pieces

We build something new out of the hurt

And we can never come back to earth

To earth, to earth, to earth we can never come back to earth, to earth are you

living your life or just waiting to die?

The bright, the bright

The brightest things fade the fastest

All my life, the bright, the bright

The brightest things fade out the fastest

Whoa, whoa, whoa

The brightest things fade the fastest

Whoa, whoa, whoa The brightest things fade the fastest Whoa, whoa, whoa

Whoa, whoa, whoa

This is a crooked path

I think that I was meant to be next to you, to you

We can never come back (we can never come back)

I think that I was meant to be next to you, to you

And you know I found the dust to be resilient

And we're the dirtiest of the dirt

Every time we fall to pieces

We build something new out of the hurt

And we can never come back to earth

To earth, to earth, to earth

We can never come back to earth, to earthAre you living your life or just waiting to die?

The bright, the bright

The brightest things fade the fastest

All my life, the bright, the bright

The brightest things fade out the fastest

Whoa, whoa, whoa

The brightest things fade the fastest

Whoa, whoa, whoa

The brightest things fade the fastest

(Fastest)The brightest things fade the fastest

Whoa, whoa, whoa

The brightest things fade the fastest

Whoa, whoa, whoa

The brightest things fade the fastest
The brightest things fade the fastest
The brightest things fade the fastest.
