

# Who You Are

Jessie J

I stare at my reflection in the mirror  
Why am I doing this to myself?  
Losing my mind on a tiny error  
I nearly left the real me on the shelf "no, no, no, no..."  
Don't lose who you are, in the blur of the stars  
Seeing is deceiving, dreaming is believing  
It's okay not to be okay  
Sometimes it's hard, to follow your heart  
Tears don't mean you're losing, everybody's bruising  
Just be true to who you are  
(who you are)  
Brushing my hair, do I look perfect?  
I forgot what to do to fit the mold, yeah  
The more I try the less is working yeah yeah 'Cause everything inside me screams, "no, no, no,  
no..."  
Don't lose who you are, in the blur of the stars  
Seeing is deceiving, dreaming is believing  
It's okay not to be okay  
Sometimes it's hard, to follow your heart  
But tears don't mean you're losing, everybody's bruising There's nothing wrong with who you are  
Yes, No's, egos, fake shows  
Like "woo", just go, and leave me alone  
Real talk, real life, good love, goodnight  
With a smile, that's my own  
that is my own  
"no, no, no, no..."  
Don't lose who you are, in the blur of the stars  
Seeing is deceiving, dreaming is believing  
It's okay not to be okay  
Sometimes it's hard, to follow your heart  
Tears don't mean you're losing, everybody's bruising  
Just be true to who you are  
yeah yeah yeah
