

Holy Mother

**Luciano Pavarotti, Marco Armiliato, East London Gospel
Choir, Eric Clapton & L'Orchestra Filarmonica**

Holy Mother where are You?
Tonight I feel broken in two
I've seen the stars fall from the sky
Holy Mother can't keep from crying Oh, I need Your help this time
Get me through this lonely night
Tell me please which way to turn
To find myself again Holy Mother hear my prayer
Somehow I know You're still there
Help me please find peace of mind
Take away this pain
I can't wait, I can't wait, I can't wait any longer
I can't wait, I can't wait, I can't wait for You Holy Mother hear my cry
I call Your name a thousand times
I've felt the anger running through my soul
All I need is a hand to hold Oh, I feel like the end has come
No longer my legs will run
You know I would rather be
In Your arm tonight When my hands no longer play
My voice is still, I fade away
Holy Mother then we'll be
Lying in safe within Your arms
Holy Mother hear my cry
Holy Mother hear my cry
Holy Mother hear my cry
Holy Mother hear my cry
Holy Mother hear my cry
Holy Mother hear my cry
Holy Mother hear my cry
Holy Mother hear my cry
