

# Colours Fly and Catherine Wheel

## Simple Minds

Belle  
Never turn your back  
Great times attack  
Inexpensive thrills And I said Belle  
Of all the friends who care  
Some should be seen  
But never heard Colours Fly and Catherine Wheel  
Poor girls cry  
In the beauty of both worlds Catch a boy  
Fell falling  
Fall in Love  
Fell falling  
Catch a boy  
Fell falling  
Fall in Love  
Fell falling Out of the Sky Belle  
When the pulses rise  
Love will tranquilize  
Just before it kills And I said Belle  
You turn them on  
With your reflection  
I know so well Colours Fly and Catherine Wheel  
Poor girls cry  
In the beauty of both worlds  
Catch a boy  
Fell falling  
Fall in Love  
Fell falling Catch a boy  
Fell falling  
Fall in Love  
Fell falling  
Out of the Sky  
Colours Fly and Catherine Wheel  
Poor girls cry  
In the beauty of both worlds Catch a boy  
Fell falling  
Fall in Love  
Fell falling Catch a boy  
Fell falling  
Fall in Love  
Fell falling  
Out Of The Sky Colours Fly and Catherine wheels

Some girl cry  
Over her boyfriend
