

# Remember

[Lauren Daigle](#)

In the darkest hour when I cannot breathe  
Fear is on my chest, the weight of the world on me  
Everything is crashing down, everything I had known  
When I wonder if I'm all alone I remember, I remember  
You have always been faithful to me  
I remember, I remember  
Even when my own eyes could not see  
You were there, always there I will lift my eyes even in the pain  
Above all the lies, I know You can make a way  
I have seen giants fall, I have seen mountains move  
I have seen waters part because of You I remember (I remember) I remember (I remember)  
You have always been faithful to me  
I remember (I remember) I remember (I remember)  
Even when my own eyes could not see  
You were there, always there  
I can't stop thinking about  
I can't stop thinking about  
I can't stop thinking about  
Your goodness, goodness  
I can't stop thinking about  
I can't stop thinking about  
I can't stop thinking about  
Your goodness, goodness  
I can't stop thinking about  
I can't stop thinking about  
I can't stop thinking about  
Your goodness, goodness  
I can't stop thinking about  
I can't stop thinking about  
I can't stop thinking about  
Your goodness, goodness  
I remember, I remember  
You have always been faithful to me  
I remember (I remember) I remember (I remember)  
Even when my own eyes could not see  
You were there, always there with me
