

Lone Ranger

Rachel Platten

Maybe I'm selfish
Call me see-through
But I'm debating
If I really need to
Tie down to someone forever
Sure, I get lonely sometimes
I miss being together
But baby
When I roam from city to city
I let the highway and the crowd
Feel the hunger that's in me
Feel me up with fireworks
And tell me I'm skinny
Soak up the fire
And the buzz that it gives me
Oh, oh, oh, oh
Long nights, stay up late
Drink the sound, Meditate
Oh, oh, oh, oh
Open eyes, sun roof
Give me miles, give me truth
Sometimes I get high
Sometimes I get low
But I'm calm as can be
In a room full of strangers
But oh my, don't try to get close
I'm just going to leave
Cause baby, I'm a Lone Ranger
(Na, Na, Na...)
I'm a Lone Ranger
I'm a lion, I'm a tiger
I'm a caged bird, I'm on fire
Got these paper wings
But they hold me?
Get to close...?
Much less brave then I admit
Much more scared then they all think
But I'm protecting
Something in my chest
Cause the blood, sweat and tears
They can make quite a mess
Open eyes, open roof

Give me miles, give me truth
Sometimes I get high
Sometimes I get low
But I'm calm as can be
In a room full of strangers
But oh my, don't try to get close
I'm just going to leave
Cause baby, I'm a Lone Ranger
(Na, Na, Na...)
I'm a Lone Ranger
I don't want to get broken baby Cut open babe, Cut open baby
I don't want to get broken baby Cut open babe, Cut open baby
Sometimes I get high
Cause baby, I'm a Lone Ranger
But oh my, don't try to get close
I'm just going to leave
Cause baby, I'm a Lone Ranger
