

Dope Nose

Weezer

[Hook]

Hohhh

Aah-ah ohhh, Aah-ah ohhh

Ohh ohh ohh

[Verse 1]

Debt on my head

Wasting time, on my own

Sleep, rescue me

Take me back to my home

(Lord, take me home)

[Chorus]

For the times that you wanna go

And bust rhymes real slow

I'll appear, slap you on the face

And enjoy the show

[Hook]

Hohhh

Aah-ah ohhh, Aah-ah ohhh

Ohh ohh ohh

[Verse 2]

Cheese smells so good

On a burnt piece of lamb (Piece of what?)

Fag of the year

Who could beat up your man

[Chorus]

For the times that you wanna go

And bust rhymes real slow

I'll appear, slap you on the face

And enjoy the show

Ohhhhhh, this dope nose

[Hook]

Aah-ah ohhh, Aah-ah ohhh

Ohh ohh ohh

[Guitar Solo]

[Chorus]

For the times that you wanna go
And bust rhymes real slow
I'll appear, slap you on the face
And enjoy the show
Ohhhhhh, this dope nose

[Hook]

Aah-ah ohhh, Aah-ah ohhh
Ohh ohh ohh
