

Fly With Me

Jonas Brothers

If time was still
The sun would never, never find us
We could light up
The sky tonight
If I could see the world through your eyes
Leave it all behind If it's you and me forever
If it's you and me right now
I'd be alright
Be alright
If we chase the stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me Oh yeah
Gotta fly with me now
Now, the past
Has come alive
And I've been given meaning,
And a reason,
To give all I can,
To believe, once again If it's you and me forever
If it's you and me right now
I'd be alright
Be alright
If we chase the stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me Maybe you were just afraid
Knowing you were miles away
From the place where you needed to be
And that's right here with me
If it's you and me forever
You and me right now
I'd be alright If it's you and me forever
If it's you and me right now
I'd be alright
Be alright If we chase the stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly, fly, fly with me
