

# Then the Morning Comes

## Smash Mouth

[Verse 1]

Paint the town  
Take a bow  
Thank everybody  
You're gonna do it again  
You are the few, the proud  
You are the antibody  
Mind, soul and zen

[Pre-Chorus 1]

And the world's a stage  
(And the world's a faze)  
And the end is near  
So push rewind  
Just in time  
Thank anybody  
You're gonna do it again

[Chorus]

The way the you walk  
It's just the way that you talk  
Like it ain't no thing  
And every single day is just a fling  
Then the morning comes

[Verse 2]

Take your knocks  
Shake them off  
Duck everybody  
You're gonna take them again

You are you foe  
Your friend  
You are the paparazzi  
You are the tragedian

[Pre-Chorus 2]

And the world's a craze  
(And the world's a faze)  
And the end is near

So push rewind  
Just in time  
Thank anybody  
You're gonna do it again

[Chorus]  
The way the you walk  
It's just the way that you talk  
Like it ain't no thing  
And every single day is just a fling  
Then the morning comes

[Bridge]  
And when it comes it moves so slow  
Kinda like it's saying I told you so  
Looking back before she goes  
Tomorrow's gonna hurt

[Pre-Chorus 1]  
And the world's a stage  
(And the world's a faze)  
And the end is near  
So push rewind  
Just in time  
Thank anybody  
You're gonna do it again

[Chorus]  
The way the you walk  
It's just the way that you talk  
Like it ain't no thing  
And every single day is just a fling  
Then the morning comes
