

Body (feat. Brando) [Orjan Nilsen Remix]

Loud Luxury

[Verse 1]

Babe, don't make a sound
2 a.m. love gotta keep it down (keep it down)
Don't wait around for a signal now
Gimme some verbs I ain't talkin' nouns (I'm naughty)
You want a ride in the 6
You want a dine in the six (dine in the six)
But when I lean for the kiss
You said I'll probably send you some pics
And I'm like[Pre-Chorus]
Hell nah, been waitin' too long (I've been waitin')
Hell nah, I want that crew love (don't leave, baby)
Hell nah, been waitin' too long (I've been waitin')
Hell nah, I want that crew love

[Chorus]

Body on my, losin' all my innocence, yeah
Body on my, grindin' on my innocence, yeah
Body on my, losin' all my innocence, yeah
Body on my, grindin' on my innocence, yeahBody on my, losin' all my innocence, yeah
Body on my, grindin' on my innocence, yeah
Body on my, losin' all my innocence, yeah
Body on my, grindin' on my innocence, yeah[Post-Chorus]
