

Oceans Away (Sam Feldt Remix)

ARIZONA

I never left
My darker doubt
You messed me up
When you came around
When
Know you needed space
But I don't wanna wait
I don't wanna mistakeThreethousand miles and an ocean away
But I see the sunrise, oh, just like the other day
Picture your eyes as I fall asleep
Tell myself it's alright, oh, as the tears roll by
Oh, I wish I could feel your face
Oh, I'm helpless when I'm oceans awayI never felt
See the future coming
Hope it is
I learned to fake a smile
As the time
I don't wanna wait
Oh, I don't wanna mistakeThreethousand miles and an ocean away
But I see the sunrise, oh, just like the other day
Picture your eyes as I fall asleep
Tell myself it's alright, oh, as the tears roll by
Oh, I wish I could feel your face
Oh, I'm helpless when I'm oceans away
Oh, I wish I could feel your face
Oh, I'm helpless when I'm oceans away
Oh, I'm helpless when I'm oceans away
Oh, I'm helpless when I'm oceans away
Oh, I wish I could feel your face
Oh, I'm helpless when I'm oceans away
