

# Never Be

## 5 Seconds of Summer

Oh whoa whoa oh, oh oh oh  
Oh whoa whoa oh  
Oh whoa whoa oh, oh oh oh  
Oh whoa whoa oh I need your love to light up this house  
I wanna know what you're all about  
I wanna feel you feel you tonight  
I wanna tell you that it's alright I need your love to guide me back home  
When I'm with you, I'm never alone  
I need to feel you feel you tonight  
I need to tell you that it's alright  
We'll never be as young as we are now  
It's time to leave this old black and white town  
Let's seize the day  
Let's run away  
Don't let the colours fade to grey  
We'll never be as young as we are now  
As young as we are now Oh whoa whoa oh, oh oh oh  
Oh whoa whoa oh I see myself here in your eyes  
Stay awake 'till the sunrise  
I want to hold you hold you all night  
I want to tell you that you're all mine I feel our hands intertwined  
Hear our hearts beating in time  
I need to hold you hold you all night  
I need to tell you that you're all mine  
We'll never be as young as we are now (never be)  
It's time to leave this old black and white town  
Let's seize the day  
Let's run away  
Don't let the colors fade to grey  
We'll never be as young as we are now  
As young as we are now We won't wait  
For tomorrow  
It's too late  
We don't follow We won't wait (won't wait)  
For tomorrow  
It's too late  
We don't follow We'll never be as young as we are now  
It's time to leave this old black and white town  
Let's seize the day  
Let's run away  
Don't let the colors fade to grey  
We'll never be as young as we are now

As young as we are now  
Oh whoa whoa oh, oh oh oh  
Oh whoa whoa oh  
Oh whoa whoa oh, oh oh oh  
Oh whoa whoa oh

As young as we are now...
