

Wake Up

Trevor Daniel

Two in the morning you calling (oh, oh, oh)

I've been working all night no stalling (oh, oh, oh)

Let 'em call me what they want, I got 'em talking (oh, oh, oh)

Drop the rains on us, no stopping (oh, oh, oh)

Tell 'em wake up, wake up

(Oh ah)

Been asleep too long

Tell 'em pay up, pay up (oh ah)

Tell 'em wake up, wake up

(Oh ah)

Been asleep too long

Tell 'em pay up, pay up (oh ah)

Yeah they're all around me

Tryna knock me off my feet

Lately I've been losing sleep

Cause that money's calling me

Tell 'em wake up, wake up

(Oh ah)

Been asleep too long

Tell 'em pay up, pay up (oh ah)

Two in the morning you calling (oh, oh, oh)

I've been working all night no stalling (oh, oh, oh)

Let 'em call me what they want, I got them talking (oh, oh, oh)

Drop the rains on us, no stopping (oh, oh, oh)

Tell 'em wake up, wake up

(Oh ah)

Been asleep too long

Tell 'em pay up, pay up (oh ah)

Two in the morning you calling (oh, oh, oh)

I've been working all night no stalling (oh, oh, oh)

Let 'em call me what they want, I got them talking (oh, oh, oh)

Drop the rains on us, no stopping (oh, oh, oh)

Tell 'em wake up, wake up

(Oh ah)

Been asleep too long

Tell 'em pay up, pay up (oh ah)

Yeah they're all around me

Tryna knock me off my feet

Lately I've been losing sleep

Cause that money's calling me

Tell 'em wake up, wake up (oh, oh, oh)

Been asleep too long (oh, oh, oh)

Tell 'em pay up, pay up (oh, oh, oh)
