

# Stronger (feat. Alex Newell & Sean Bass)

## Clean Bandit

People tell me to be cautious  
People tell me not to lose myself control  
People tell me to be flawless  
People tell me not to let myself evolve? And I think I don't really get it  
I think it's all just a peculiar game  
And soon, I'll wake up and I'll forget it  
And everyone will know me by a different name I wanted to be stronger  
I wanted to be everything for you  
If I could be stronger, would you believe  
That I could love you like you want me to Love you like you want me to  
Love you like you want me to  
I held my breath to keep time  
I tried to keep myself dry  
But did I ask too much?  
If I could do it again,  
Would you believe what I said  
That I still want that rush And I think I don't really get it  
I think it's all just a peculiar game  
Soon, I'll wake up and I'll forget it  
And everyone will know me by a different name I wanted to be stronger  
I wanted to be everything for you  
If I could be stronger, would you believe  
That I could love you like you want me to I wanna be strong for you  
Love you like you want me to... you like you want me to  
I wanna be strong for you  
Love you like you want me to  
I wanna be strong for you  
And I can, yes I can  
If only you can promise that you will try too  
I'll be there, I'll be there I wanna be strong for you  
If only you can promise that you will try too  
I'll be there, I'll be there I wanted to be stronger  
I wanted to be everything for you  
If I could be stronger, would you believe  
That I could love you like you want me to I wanted to be stronger  
I wanted to be everything for you  
If I could be stronger, would you believe  
That I could love you like you want me to Love you like you want me to  
Love you like you want me to  
Love you like you want me to  
Like you want me to...
