

Roses

James Arthur & Emeli Sandé

[Verse:]

I could've chose anybody but I chose you

Ooh ooh

Help me get better, you pull me right out of the blue

Oh oh

And daddy don't like you but daddy n I never speak

Ee ee

Every night when I wake up I need you to get back to sleep

Ee ee[Chorus:]

Smells like roses to me

Two young lovers at sea

Tastes so bitter and so sweet

You're my bang, together we go bang bang bang

Bang bang bang

Bang bang bang

Oh oh, oh oh

[Verse:]

You could've chose anybody but you chose me

Ee ee

Hiding in bed since no one around us agrees

Ee ees

And I feel romantic and since morning I've been acting wild

I, I

Shall we eat all the poison and leave all the questions behind

I, I[Chorus:]

Smells like roses to me

Two young lovers at sea

Tastes so bitter and so sweet

You're my bang, together we go bang bang bang

Bang bang bang

Bang bang bang

[Bridge:]

And all the chemicals and alcohol make for a volatile love

But stay with me

Just stay with me

And I never wanna lose you but I feel that closures will tear us apart

But stay with me

Stay with me

Bang, bang, bang [x4][Chorus:]

Smells like roses to me

Two young lovers at sea

Tastes so bitter and so sweet

You're my bang, together we go bang bang bang
