Last Day Alive (feat. Florida Georgia Line)

The Chainsmokers

Run into the bright lights most nights, now or never
Always and forever the last day alive
The last day aliveBottled up in adolescence
Bottom up forbidden essence
Twisted up in adolescence
Waking up within your arms
I feel alive and dangerous
You're dangerous, we're dangerousRun into the bright lights most nights, now or never
Always and forever the last day alive
The last day alive
Now or never, it's now or never
Now or never, it's now or never (the last day alive)
Now or never, it's now or never
Now or never, it's now or never
The last day alivePromises within the air
Drowning in love affair
The night is young and we are youngRun into the bright lights most nights, now or never
Always and forever the last day alive
The last day aliveNow or never, it's now or never
Now or never, it's now or never (the last day alive)
Now or never, it's now or never
Now or never, it's now or never
The last day alive
The last day alive
Run into the bright lights most nights, now or never
Always and forever the last day alive
The last day alive
The last day aliveNow or never, it's now or never
Now or never, it's now or never (the last day alive)
Now or never, it's now or never
Now or never, it's now or never
The last day alive
The last day alive
The last day alive
