

# Better That We Break

## Maroon 5

I never knew perfection till, I heard you speak  
And now it kills me just to hear you say the simple things  
Now waking up is hard to do, sleeping's impossible too And everything's reminding me of you  
What can I do?  
It's not right, not okay  
Say the words that you say Maybe we're better off this way  
I'm not fine, I'm in pain  
It's harder everyday Maybe we're better off this way  
It's better that we break  
A fool to let you slip away  
I'd chase you just to hear you say  
You're scared, and that you think that I'm insane  
City looks so nice from here  
Pity I can't see it clearly  
While you're standing there it disappears It disappears  
It's not right, not okay  
Say the words that you say  
Maybe we're better off this way I'm not fine, I'm in pain  
It's harder everyday  
Maybe we're better off this way It's better that we break  
Saw you sitting all alone  
You're fragile and you're cold  
But that's alright Love these days is getting rough  
It knocks you down, then beats you up  
But it's just a roller coaster anyway  
It's not right, not okay  
Say the words that you say  
Maybe we're better off this way I'm not fine, I'm in pain  
It's harder everyday  
Maybe we're better off this way  
It's not fine, not okay  
Say the words that you say  
Maybe we're better off this way  
I'm not fine, I'm in pain  
It's harder everyday  
Maybe we're better off this way  
It's better that we break.
