

# Let Me Be Myself

## 3 Doors Down

I guess I just got lost  
Bein' someone else  
I tried to kill the pain  
Nothin' ever helped  
I left myself behind  
Somewhere along the way  
Hopin' to come back around  
To find myself someday  
Lately I'm so tired of waiting for you  
To say that it's ok, but tell me  
Please, would you one time  
Just let me be myself  
So I can shine with my own light  
Let me be myself  
Would you let me be myself  
I'll never find my heart  
Behind someone else  
I'll never see the light of day  
Living in this hell  
It's time to make my way  
Into the world I knew  
and to take back all of these times  
That I gave in to you  
Lately I'm so tired of waiting for you  
To say that it's ok, but tell me  
Please, would you one time  
Let me be myself  
So I can shine with my own light  
And let me be myself  
For a while, if you don't mind  
Let me be myself  
So I can shine with my own light  
Let me be myself  
That's all I've ever wanted from this world  
Is to let me be me  
Please, would you one time  
Let me be myself  
So I can shine with my own light  
Let me be myself  
Please, would you one time  
Let me be myself  
So I can shine with my own light  
Let me be myself  
For a while, if you don't mind  
Let me be myself

So I can shine with my own light

Let me be myself

Would you one time... oooh

Let me be myself

Let me be me
