

Smells Like Funk

The Black Eyed Peas

[Intro: will.i.am]

Yeah, that's funky, funky
Yeah, that's funky, funky
Yeah, that's funky, funky

[Chorus: will.i.am & Fergie]

If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
'Cause nobody's funky as us, 'cause we keep it stinky, stinky
We keep it stinky, stinky
We keep it stinky, stinky
We keep it stinky, stinky, stinky, stinky, stinky

[Post-Chorus: will.i.am]

The funk phenomenon, we funk you on and on
There's no need to hold your nose 'cause this funk stinks like a rose

[Verse 1: Taboo]

Big booty funk, toe jam funk
Underarm funk, like you headlocking a skunk
Reaking like diseased athlete's feet
The stench didn't come till after this beat
Smellin' like drawers, no weezin', no pause
Put your hands up on the speakers get smelly ass paws
You knew we was coming before we entered the door
'Cause you could smell the rhyme when we was walkin' down the hall
We bring the funk worse than a wet dog
Stinkin' like fat ladies shittin' out logs
We drop enough shit and keep them toilets clogged
Keep the people jumpin' like them bullfrogs
The first one who smelt, it ain't the one who dealt it
Black Eyed Peas keep the scent blind like delta
Funky like onions you fryin', sure is funky, girl, you ain't lyin'

[Chorus: will.i.am & Fergie]

If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
'Cause nobody's funky as us, 'cause we keep it stinky, stinky
We keep it stinky, stinky
We keep it stinky, stinky
We keep it stinky, stinky, stinky, stinky, stinky

[Verse 2: will.i.am]

Y'all, you funk with the funk family
The non-fabricated factual faculty
We formulating up in a factory
Focusing on the energy of fluid flow free
We flawless, everything is for free
We flourish and we flaunt our flavor freshly, ha
Can you believe we flip the frequencies and
Freak MC's, they leave all frantically, but
Our intent is all to be friendly
But they fighting when we start the freestyling frenzy
I funk up your flat till your girlfriend beef
Filling all anatomy, bringing me flattery, ha
She'll be digging these rhymes, phat ease beats
Like cellulite lyrics, all flappy
We bring the funk to your festivities
If you think something stank, then it must be the Peas

[Chorus: will.i.am & Fergie]

If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
The funk, funk, funk, fat stinky stanky stuff
If it smells like funk, it must be us
'Cause nobody's funky as us, 'cause we keep it stinky, stinky
La-la-la-la-la-la-la
La-la-la-la-la-la-la

[Verse 3: apl.de.ap]

Cellulite overweight stankin' MC's
Stench smells so strong it's insanitary
'Cause you can sense me a mile away so chanky
With the jungle funk sound from Seringhetti
Meaty, fat, nasty like Miss Fat Booty's tights
Gettin' dirty like mud fights and dirtbikes

Turning these drawers black that used to be white
And we shittin' on these tracks that you gonna need to wipe
The odors so contagious that it shows up in your dream
Man you could pick me out like food in between
Your two front teeth 'cause you be lacking the streets
We got beefy ass beats that we bumpin' in the streets
We salty, not sweet, like stank boxing feet
Sour underarm funk you ain't washed in a week
And man we be reakin' every day and weekend
We could all bounce to the funk and the season

[Chorus 2: will.i.am]

Bounce, bounce, bounce, hahahaha
Yeah, that's funky, yeah that's funky
If you smellin' somethin' funky then you know
It gotta be nobody other than Apl, Will and Taboo
'Cause you know that
If it smells like funk, it must be us
If you smellin' fat funk then it must be us
If you smellin' somethin' funky then you know
It gotta be nobody other than Apl, Will and Taboo
'Cause you know that
If it smells like funk, it must be us
If you smellin' elephants then it must be us
If you smellin' somethin' funky then you know
It gotta be nobody other than Apl, Will and Taboo
'Cause you know that
If it smells like funk, it must be us
If you smellin' elephant shit then it must be us
