

# Black

Kari Kimmel

[Verse 1:]

When everything is turned to black  
You don't know where to go  
You need something to justify your soul  
Silence is broken, confidence is gone  
When everything you're holding onto falls, yeah

[Verse 2:]

All the people selling truths on every corner now  
They wait until the fear has knocked you down  
All the rules are changing now, you're living in sin  
Everything around you is caving in  
All you're holding onto's slipping like water through your hands

[Chorus:]

And you sing  
La la la la  
La la la la  
La la la la  
Yeah, you you sing  
La la la la  
La la la la  
La la la la

[Verse 3:]

Far off in the distance, somewhere you can't see  
Allegiances have formed your destiny  
Opposition all around, feeding off your soul  
Trying hard to swallow up you whole  
And the demons all around you, waiting for you to sell your soul

[Chorus:]

They're singing  
La la la la  
La la la la  
La la la la  
They're singing  
La la la la  
La la la la

La la la la

Oh la la la la la

Oh la la la la la

[Chorus:]

They're singing

La la la la

La la la la

La la la la

They're singing

La la la la

La la la la

La la la la
