

Hold On

James Arthur

[Verse 1]

Ah, ah, ah

"You can't bring me down," he said so confidently
She said, "Son, you aren't the best, here's the keys back to the streets"

He said, "Mum, I'm so cold"

She said, "Son, you better find your feet

Find somewhere else to sleep

'Cause I just don't want you here"

[Chorus]

I was 15, home is where I should've been

The street lights

My only friends are rushin' me

And hold on, hold on, hold on, on

[Verse 2]

'Cause you can't bring me down

Look at me now

I've got all the things you said that I would never have

And I've got more

Oh, now, look how I fly

Higher than you ever could

And you can't take credit for this

'Cause this was all me

And never you, never you

[Chorus]

I was 15, home is where I should've been

The street lights

My only friends are rushin' me

And hold on, hold on, hold on

Hold on, sit tight

Hold on, sit tight

[Bridge]

Oh, ah, ah, ah, ah, ah, ah, ah, ah

No one to kiss goodnight

No one to sing me to sleep

No one to tell me it's alright

Where'd you expect me to go?

Where did you expect me to live?
Did you ever really care?
Where'd you expect me to go?
Where'd you expect me to live?
Did you ever really care?
Did you ever really care?
Where did you expect me to go?
Where'd you expect me to go?
Where'd you expect me to go, oh, oh

[Chorus]

I was 15, home is where I should've been
The street lights
My only friends are rushin' me
And hold on, hold on, hold, hold on
Hold on, sit tight
Hold on, sit tight
Hold on, hold on, sit tight, yeah
Hold on, oh

[Outro]

Hold on, hold on
Hold on, yeah
Hold on, yeah
He, yeah
Hold on, sit tight
Hold on
