

# Adia

## Avril Lavigne

Adia, I do believe I failed you.  
Adia, I know I let you down.  
Don't you know I tried so hard  
To love you in my way?  
It's easy let it go...Adia, I'm empty since you left me.  
I trying to find a way to carry on,  
I search myself and everyone  
To see where we went wrong.  
'Cause there's no one left to finger,  
There's no one here to blame,  
There's no one left to talk to, honey,  
And there ain't no one to buy our innocence.  
'Cause we are born innocent.  
Believe me, Adia, we are still innocent.  
It's easy, we all falter...  
But does it matter?Adia, I thought that we could make it  
I know I can't change the way you feel.  
I leave you with your misery,  
A friend who won't betray.  
I pull you from your tower,  
And take away your pain,  
Show you all the beauty you possess.  
If you'd only let yourself believe that  
We are born innocent.  
Believe me, Adia, we are still innocent.  
It's easy, we all falter...  
But does it matter?We are born innocent.  
Believe me, Adia, we are still innocent  
It's easy, we all falter...  
But does it matter?  
Believe me, Adia, we are still innocent  
'Cause we are born innocence,  
Believe me, Adia, we are still innocent  
It's easy, we all falter...  
But does it matter?
