

# Kids in Love (feat. The Night Game)

[Kygo](#)

This is our last goodbye  
Don't come and find me  
So hard to see you cry  
Please, somebody blind me Cause I can feel it  
I'm still lagging onto every word  
My heart is beating  
And I'm sorry that I left you hurt We were kids in love  
And then we grew up  
But won't you hold me close tonight  
Like we're kids in love  
Kids in love  
Kids in love  
Kids in love  
We were kids in love  
We were kids in love Engine on, in drive  
Running for hours  
Slowly, we twist the knife in  
Folding like towers And I can feel it  
And we're running out of hope tonight  
I hear you breathing  
As we're hanging on to you and I We were kids in love  
And then we grew up  
But won't you hold me close tonight  
Like we're kids in love  
Kids in love (oh)  
Kids in love (oh)  
Kids in love (oh)  
Maybe I could cope if I could hold you  
We were kids in love  
One last time, one last time  
And wherever you go, I'll just hold you forever  
Maybe I could cope if I could hold you  
We were kids in love  
Kids in love (oh)  
Kids in love (oh)  
Kids in love
