

# The Middle

## Prince Fox

[Verse 1]

Hey  
Don't write yourself off yet  
It's only in your head you feel left out  
Or looked down on  
Just try your best  
Try everything you can  
And don't you worry what they tell themselves  
When you're away

[Chorus]

It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right, all right

[Verse 2]

Hey  
You know they're all the same  
You know you're doing better on your own  
So don't buy in  
Live right now  
Just be yourself  
It doesn't matter if it's good enough  
For someone else

[Chorus]

It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right, all right  
(Don't buy in, live right now)  
(Don't buy in, live right now)  
It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right, all right

[Verse 3]

Hey

Don't write yourself off yet  
It's only in your head you feel left out  
Or looked down on  
Just do your best  
Do everything you can  
Don't you worry what their bitter hearts  
Are gonna say

[Chorus]

It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right, all right  
It just takes some time  
Little girl, you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be all right, all right
