

Good Cry

Noah Cyrus

[Intro]

Yeah[Verse 1]

I've been drinking this best drop for days
The man across the bar taught me his ways
They try to send me home but I can't be alone
The cigarette smoke all in my space
I can't find my old self through the haze
I'm searching dust to dawn, I guess that girl is gone
[?] longer look at my face
The reality is I could try
I don't know why when I open my eyes to find

[Chorus]

I'm hopeless, I'm feeling so hopeless
Honey, I'll drink 'til I'm sick
This beat don't do shit
I'm choking on my bed
I'm hopeless, I'm feeling so hopeless
Honey, the sky makes me sad
The blues got me mad
And I just need a good cry[Verse 2]
I've been up six days and five nights
I [?] to kill the time
I [?] just be myself at night
This anxiety puts me ashamed
And [?] this pain
Really, that's why, I'm saying that I am feeling so

[Chorus]

Hopeless, I'm feeling so hopeless
Honey, I'll drink 'til I'm sick
This beat don't do shit
I'm choking on my bed
I'm hopeless, I'm feeling so hopeless
Darling, the sky makes me sad
The blues got me mad
And I just need a good cry[Chorus]
Darling, I'm hopeless, I'm feeling so hopeless
Honey, I'll drink 'til I'm sick
This beat don't do shit
I'm choking on my bed
I'm hopeless, I'm feeling so hopeless
Darling, the sky makes me sad
The blues got me mad

And I just need a good cry[Outro]

Darling, I'm sorry

Darling, I'm sorry

Darling, I'm sorry

Yeah, yeah, yeah, yeah

I just need a good cry
