Push It

[Garbage](#)

I was angry when I met you
I think I'm angry still
We can try to talk it over
If you say you'll help me outDon't worry baby
No need to fight
Don't worry baby
We'll be all rightThis is the noise that keeps me awake
My head explodes and my body achesPush it
Make the beats go harder
Push it
Make the beats go harder
I'm sorry that I hurt you
Please don't ask me why
I want to see you happy
I want to see you shineDon't worry baby
Don't be uptight
Don't worry baby
We'll stay up all nightThis is the noise that keeps me awake
My head explodes and my body achesPush it
Make the beats go harder
Push it
Make the beats go harderC'mon push it, you can do it
C'mon prove it, nothing to it
C'mon use it, let's get through it
C'mon push it, you can do it

Don't be uptight
