

# Peter Pan

[Kelsea Ballerini](#)

The smile, the charm, the words, the spark  
Everything, you had it  
I guess I had a naive heart, cause boy  
I let you have it  
You said I was your only  
I never thought you'd leave me lonely You're just a lost boy, with your head up in the clouds  
You're just a lost boy, never keep your feet on the ground You're always gonna fly away, just  
because you know you can  
You're never gonna learn there's no such place as Neverland  
You don't understand  
You'll never grow up  
You're never gonna be a man  
Peter Pan  
Deep down, I knew that you were too good to be true  
But every piece and part of me wanted to believe in you  
But now it's happily ever never  
I guess now I know better You're just a lost boy, with your head up in the clouds  
You're just a lost boy, never keep your feet on the ground You're always gonna fly away, just  
because you know you can  
You're never gonna learn there's no such place as Neverland  
You don't understand  
You'll never grow up  
You're never gonna be a man  
Peter Pan You're just a lost boy, yeah, I know who you are  
You don't know what you lost, boy  
You're too busy chasing stars  
You're always gonna fly away, just because you know you can  
You're never gonna learn there's no such place as Neverland  
You don't understand  
You'll never grow up  
You're never gonna be a man Yeah, you'll never grow up  
And you're never gonna be a man  
Peter Pan Never gonna be a man
