

I See Fire

Jasmine Thompson

[Intro]

Oh, misty eye of the mountain below
Keep careful watch of my brothers' souls
And should the sky be filled with fire and smoke
Keep watching over Durin's sons

[Verse 1]

If this is to end in fire
Then we should all die together
Watch the flames climb high into the night
Calling out father, oh, stand by and we will
Watch the flames burn auburn on the mountain side

[Instrumental]

[Verse 2]

And if we should die tonight
We should all die together
Raise a glass of wine for the last time
Calling out father prepare us as we will
Watch the flames burn auburn on the mountain side
Desolation comes upon the sky

[Chorus]

Now I see fire, inside the mountains
I see fire, burning the trees
And I see fire, hollowing souls
And I see fire, blood in the breeze
And I hope that you'll remember me

[Bridge]

I will cover my eyes
For if the dark returns then my brothers will die
And as the sky is falling down it crashed into this lonely town
And with that shadow on the ground, I hear my people screaming out

[Outro]

And I see fire, inside the mountains
I see fire, burning the trees
And I see fire, hollowing souls

And I see fire burn auburn on the mountain side
