

Said Nobody

Old Dominion

I'm tired of having fun
I'm sick of watching that sunset, painting the sky red
I just wanna turn in early
I don't want to see where this goes
You're getting just a little to flirty
You're getting just a little to close Said nobody
Said nobody, ever
Said nobody
Said nobody, ever Don't come any closer
Don't give me a kiss
Cause I don't wanna taste your lips
Said nobody
Said nobody, ever
I wish you'd just behave
I wish that strap would stay, up there on your shoulder
I don't want to buy you another drink
I'd rather go home alone instead
I don't wanna wake up in the morning
Slide to your side of the bed Said nobody
Said nobody, ever
Said nobody
Said nobody, ever Don't come any closer
Don't give me a kiss
Cause I don't wanna taste your lips
Said nobody
Said nobody, ever
I don't wanna know what it feels like
To be loved by a girl like you
Last thing I need is your heart beating to my heart beat
And I don't wanna hear you say
Ooohhhh, baby Said nobody
Said nobody, ever
Said nobody
Said nobody, ever Don't come any closer
Don't give me a kiss
Cause I don't wanna taste your lips
Said nobody
Said nobody, ever Said nobody
Said nobody, ever
Ooohhhh, baby
Ooohhhh, baby
Yeah
