I Will Always Love You

Whitney Houston

If I should stay
I would only be in your way
So I'll go, but I know
I'll think of you every step of the way
And I will always love you
I will always love youYou, my darling, you, hmm
Bittersweet memories
That is all I'm taking with me
So, goodbye
Please, don't cry
We both know I'm not what you, you need
And I will always love you

And I will always love you
I will always love you

I hope life treats you kind And I hope you have all you've dreamed of

And I wish to you joy and happiness But above all this, I wish you loveAnd I will always love you

You

Darling, I love you

Ooh, I'll always

I'll always love you
