

# Fancy

## The-Dream

[Produced by Christopher "Tricky" Stewart and Terius "The-Dream" Nash]

[Intro]

That girl wear fancies  
That girl is fancy  
Don't know, yeah, live fancy  
All night girl, I live fancy

[Verse 1]

Through the sheets  
She climbs her way up to this bed singing melodies  
Run my fingers in her hair and say come to me  
First there is a no, then she says, "Yes baby"  
She's the dream of a billion men  
Go girl (haa haa)  
Go girl (aah haa)

[Pre Chorus]

See she made her way from nothing  
Can't fault her for wanting something  
She loves men that can afford (yea)  
She wants to  
Live fancy

[Chorus]

Trips to Monaco, designer names from head to toe (live fancy)  
On planes that fly clean across the roaming skies (live fancy)  
Brilliant cars, spend evenings among the stars (live fancy)  
Diamond rings  
All those things  
Live fancy  
Live fancy  
Live fancy  
Live fancy

[Verse 2]

She spends her time  
Aboard yachts, if not, somewhere tasting wine  
In Paris seducing me while we dine  
She's only 23, but ahead of her time

She's the Dream of a billion men  
Go Girl

[Pre Chorus]

See she made her way from nothing  
Can't fault her for wanting something  
She loves men that can afford (yea)  
She wants to  
Live fancy

[Chorus]

Trips to Monaco, designer names from head to toe (live fancy)  
On planes that fly clean across the roaming skies (live fancy)  
Brilliant cars, spend evenings among the stars (live fancy)  
Diamond rings  
All those things  
Live fancy  
Live fancy  
Live fancy  
Live fancy

[Verse 3]

Cause of me all she do, is walk around in Italian shoes  
She's probably a girl you used to know  
I can see her beauty with both eyes closed  
But you didn't notice she fell in love with what she noticed  
That I'm fancy

[Chorus]

Trips to Monaco, designer names from head to toe (live fancy)  
On planes that fly clean across the roaming skies (live fancy)  
Brilliant cars, spend evenings among the stars (live fancy)  
Diamond rings  
All those things  
Live fancy  
Live fancy  
Live fancy  
Live fancy

[Verse 3]

You can be from the hood, but I know you wanna live fancy  
(Shawty throw your hands up)  
East Side, West Side, South Side but you wanna live fancy  
(If you fly, know you're fly)  
She's with me, cause she wanna live (fancy)  
(Anything she want I will provide her)  
I'm with her, because she's beautiful  
(And you know I can't deny her)  
And deserving

Oh yeah  
(You know how we live)  
She's deserving (Uh huh, you know how we live)  
Oh yeah (All we- spend, spend this mo-mo-money)

[Break]  
Eh eh-eh, eh oh eh eh-oh  
(You- You You know how we live)  
Oh-oh eh eh-eh, eh oh-oh eh eh-oh  
(You- You You know how we live)  
\*All we do, we spend this money  
\*All we do, we spend this money  
\*All we do, we spend this money  
ATL, ATL ATL

[Verse 4]  
She all on me cause all I do is ride around the Bentley coupe  
Got no need, she got me, buying her them Fendi shoes  
All we do is shop until we drop, right there in the floor  
All we do is make love in foreign places 'til we can't no more  
They say you can't buy love, man they lying  
If Christian LaCroix brings a smile, I'll buy it  
She wanna make love on the edge of the world, I'll buy it  
Have anything she want cause she my girl, say it, she got it  
I'm flyer than flying in G-0 jets  
On First class, coach class no disrespect  
At my New York apartment to JFK  
On the helicopter just the pilots goin' my way  
I'm worldly swerving in Bentley whips  
Don't even have to watch how I spend my chips, no  
Dollars to Euros, I'm every nigga's hero  
Cause even when I used to rock Polo I was fancy
