

Thought I Knew

Nico & Vinz

[Verse 1: Vinz]

The way I see it
I don't wanna be left alone
I don't wanna be left alone
And the way I see it
You're the one I was hoping for
You're the one I was hoping for
See, I thought I knew it all (knew it all)
But I knew that we could be, yeah
But where's the face you show
I don't know if we could be after all

[Chorus: Vinz]

All my life I, all my life I thought I knew
If I was right I, if I was right I'd be with you, hey
All my life I, all my life I thought I knew
If I was right I, if I was right I'd be with you, oh yeah

[Verse 2: Nico]

Early nights with stage fright
And her eyes are stage lights
I can't hide the fear without you
Now I can't sleep right
And the food don't taste nice
I'm just not myself without you
You took too much, I didn't get enough
It should've been the other way
Every morning I feel like
Something in me wants to die
And if I'm right I'll be with you, with you, oh (hey)

[Chorus: Vinz]

All my life I, all my life I thought I knew
If I was right I, if I was right I'd be with you, hey
All my life I, all my life I thought I knew
If I was right I, if I was right I'd be with you, oh yeah

(You took too much, and didn't give enough, all my life...)

[Bridge: Vinz]

Hey, no, I won't give up easy
No, I won't let you go
No, I won't give up easy

[Chorus: Vinz]

(All my life) All my life I, all my life I thought I knew
If I was right I, if I was right I'd be with you, oh yeah
