

# Honey and I

## HAIM

[Verse 1]

Goodnight

I know there's nothing good in goodbye

But you lead me to no other line

No other line

Eyes wild

When you walked through the door

You made your way across the floor

And all the little girls had to try their turns

Try their turns

[Pre-Chorus]

No, no, no, no

See, I'm not afraid no more

(I'm not afraid no more)

To turn you away no more

(Turn you away no more)

To turn you away, to turn you away

[Chorus]

'Cause my honey and I, yeah, yeah

My honey and I

My honey and I

My honey and I

D-doing just-a fine now

Honey and I (Honey and I)

My honey and I

My honey and I

My honey and I

D-doing just-a fine now

[Verse 2]

Oh, no, no, no, no, no

No, no

I don't love you just because

Love wasn't what I thought it once was

But I thought it once was

Telling each other everything

Picking out your wedding rings

No, now I know and now I see

I'm not afraid no more  
No, no, no, no, no, no

[Pre-Chorus]

So why are you always trying to stay at home?  
(Why are you staying there?)  
This song can't be played alone  
(This song can't be played alone)  
It was made to be played with my

[Chorus]

Honey and I, yeah, yeah  
My honey and I  
My honey and I  
My honey and I  
D-doing just-a fine now  
Honey and I (Honey and I)  
My honey and I  
My honey and I  
My honey and I  
D-doing just-a fine now

[Bridge]

Oh oh (oh oh)  
Oh oh (oh oh)  
Oh oh (oh oh)  
Oh oh (oh oh)  
Ha, ha, ha, yeah  
Oh oh (oh oh)  
Oh oh (oh oh)  
Oh oh (oh oh)  
Oh oh (oh oh)  
Ah, ha, ha, yeah

[Build-Up]

My, my, my honey and I  
My, my, my honey and I  
My, my, my honey and I  
My, my, my honey and I  
My, my, my honey and I (oh)  
My, my, my honey and I (oh)  
My, my, my honey and I (oh)  
My, my, my honey and I

[Pre-Chorus]

Oh, no, no, no  
See, I'm not afraid no more  
No more, to turn you away  
To turn you away

'Cause my...  
No, no, no, no, no, no

[Chorus]  
D-doing just-a fine now  
Honey and I  
My honey and I  
My honey and I  
My honey and I  
D-doing just-a fine now  
D-doing just-a fine now  
D-d-doing just-a fine now  
D-doing just-a fine now  
D-doing just-a fine now
