

Cupcakes Taste Like Violence

Jeffree Star

[Intro]

You can't stop, ca-ca-can't stop
You can't stop, ca-can't stop

[Verse 1]

My hair looks like cotton candy
My heart is made of sequins
Blow Pops and meat cleavers
Give me something sweet (Sweet, sweet, sweet)
Give me something, give me something
Gi-give me something sweet, sweet
Sweet, sweet, sweet, sweet

My skin looks like vanilla
My mouth is made of sugar
Syringes and cupcakes
Give me something sweet
I'm good enough to eat, oh, yeah (No)

[Chorus]

You can't stop staring at me
You can't stop, I'm good enough to eat
You can't stop, sticky-sweet
You can't stop (No)

You can't stop staring at me
You can't stop, I'm good enough to eat
You can't stop, sticky-sweet
You can't stop (Stop)

[Verse 2]

My makeup looks like rainbow sherbet
My brain feels like hard candy
Gashes and sundaes
Give me something sweet
Give me something, give me something
Gi-give me something sweet, sweet
Sweet, sweet, sweet, sweet

Lipstick like pink bubblegum

Heart like a snow cone
Jawbreakers and morphine
Give me something sweet
I'm good enough to eat, oh, yeah (No)

[Chorus]

You can't stop staring at me
You can't stop, I'm good enough to eat
You can't stop, sticky-sweet
You can't stop (No)

You can't stop staring at me
You can't stop, I'm good enough to eat
You can't stop, sticky-sweet
You can't stop (Stop)

[Outro]

Sprinkles everywhere, candy hearts and bruises
31 flavors, which one are you choosin'?
Sprinkles everywhere, candy hearts and bruises
31 flavors, which one are you choosin'?
Which one are you choosin'?
Which one are you choosin'?

Sprinkles everywhere, candy hearts and bruises
31 flavors, which one are you choosin'?
Sprinkles everywhere, candy hearts and bruises
31 flavors, which one are you choosin'?
Which one are you choosin'?
Which one are you choosin'?
Which one are you choosin'?
