

Black Eyes

Bradley Cooper

Black eyes open wide
It's time to testify
There's no room for life
And everyone's waiting for you And I'm gone, sitting by the phone
And I'm all alone by the wayside
And I'm gone, sitting by the phone
And I'm all alone by the wayside By the wayside
I'm by the wayside
I'm by the wayside
Too far gone and I'm by the phone
And I'm all alone and I'm off for love
By the wayside
By the wayside
I'm by the wayside
I'm by the wayside
I'm by the wayside
I'm by the wayside
I'm by the wayside
By the wayside
I'm by the wayside
I'm by the wayside
I'm by the wayside
Black eyes open wide
It's time to testify
There's no room for life
And everyone's waiting for you
Everyone looking at you
Everyone looking at you
Everyone looking for you
Everyone looking for you
