

# The News

SHAED

Hey mister  
Time for you to go  
My sister  
Fat daddy gonna bring you down Girl I know what you need  
It's that new beat  
Summer heat look in your eyes  
Go ahead and wave goodbye  
It's that new beat  
Hands up to the sky  
Oh I heard the news, he's gone  
Here's what you do, move on  
Look at you sister  
Didn't believe you had it in you  
Could have sworn you were fooled by the mister  
Now I know you're strong as your sister Girl I know what you need  
It's that new beat  
Summer heat look in your eyes  
Go ahead and wave goodbye  
It's that new beat  
Hands up to the sky  
Oh I heard the news, he's gone  
Here's what you do, move on I heard he's gone  
So get your stuff and move along  
Oh I heard the news, he's gone
