

# Hollywood

## The Cranberries

I've got a picture in my head, in my head  
It's me and you, we are in bed, we are in bed  
You'll always been there when I call, when I call  
You'll always been there most of all, all, all, all

This is not Hollywood, like I understood  
Is not Hollywood, like, like, like  
This is not Hollywood, like I understood  
Is not Hollywood, like, like, like

Run away, run away, is there anybody there?  
Run away, run away, is there anybody there?  
Get away, get away, get away  
Get away, get away, get away

I've got a picture in my room, in my room  
I will return there I presume, it should be soon  
The greatest irony of all, shoot the wall  
It's not so glamorous at all, all, all, all

This is not Hollywood, like I understood  
Is not Hollywood, like, like, like  
This is not Hollywood, like I understood  
Is not Hollywood, like, like, like

Run away, run away, is there anybody there?  
Run away, run away, is there anybody there?  
Get away, get away, get away  
Get away, get away, get away

This is not Hollywood, runaway  
This is not Hollywood, like, like, like  
Like, like, like, like, like, like  
Like, like
