

# Carry Me Ohio

## Sun Kil Moon

Sorry that  
I could never love you back  
I could never care enough  
In these last days Her tears  
Fell on her pages found me out  
On her words I dont know what  
To do or say Wading through  
Warm canals and pools clear blue  
The Tuscarawas flows into  
The prairie land  
Riding back  
To where the highway met  
Dead end tracks  
The ground is now cement and glass  
And far away Heal her soul, carry her, my angel, ohio Lingering in  
What about the sweetness we knew  
What about what's good what's true  
From those days Can't count to  
All the lovers I've burned through  
So why do I still burn for you  
I cannot say Sorry that  
I could never love you back  
I could never care enough in these last days  
Heal her soul, carry her, my angel, ohio Children blush  
And gather round the home she rests  
So poor and gold with their midwest  
Moon and sun Flashes bringing on  
My open eyes the lightning storm  
The tortured mist felt soft, felt warm  
On my face Craving dreams  
A million miles ago you see  
And the star that I just dont see  
Anymore Words long gone  
Lost on journeys we walked on  
Lost are voices heard along the way Sorry for  
Never going by your door  
Never feeling love like that  
Anymore Heal her soul, carry her, my angel, ohio
